# Expert Lecture Report

## Expert Lecture on “Vernacular Buildings”

### Objectives:

The main objective of this expert lecture to provide a deep knowledge about Vernacular Buildings & its importance.

### Topics :

Introduction of Vernacular Buildings

Myths around Vernacular Buildings

Vernacular Building Systems important facts

Disaster Resistant Vernacular Buildings

Present scenario

Successful Improvement in Vernacular Buildings

Demonstration of the improved performance

Summarizing about Vernacular Building Systems

### Expert:

Mr.Rajendra Desai  
B.Tech IIT-Bombay  
MS (Structures) from  
Rutgers  
University,USA  
Director of NCPDP.

### Summary

Students got the Knowledge about Vernacular Building, its important facts, Present scenario of vernacular buildings, disaster resistant capacity etc..

### Lecture Participant :

Expert lecture was organized for students of 4th, 6th & 8th semester Civil Engineering . There were 95 students were present in Expert lecture.
