

EXPERT LECTURE ON “E-TENDERING SYSTEM PORTAL”

Date: 01/10/2021
Semester: 7th Civil

Civil Engineering Department

Expert Lecture Report

Objective-

- The main objective of the Workshop was to get basic Knowledge about E - tendering portal (n-procure) and tender.
- To provide the knowledge of beyond the syllabus in the subject of engineering economics, estimation and costing.

Summary:

Expert Lecture on E tendering was held at S. R. Patel Engineering College on 01st Oct 2021. Expert Lecture was conducted to share the knowledge about e tendering process to the final year students so that students can be benefited in the civil engineering professional projects. In this workshop the whole process of filling the tenders of various civil engineering projects like Road Construction, Building Construction, Bridge Construction, Canal works etc.

In this workshop it is also explain that how to select the projects and suitable types of the tenders need to be fill for that projects. Expert also shares the knowledge about the various types of contracts and different types of tender. The workshop was very fruit fill for the final year civil Engineering Students.

Feedback from Participants		Out of 10 (Average)
(a)	Knowledge	9.6
(b)	Practical Experience	9.1
(c)	Duration	9.9
(d)	Expert Knowledge and Experience	9.2

Course Participant:

Expert Lecture was organized for the students of 7th Semesters, Civil Engineering.
Total of 34 participants participated.

Faculty Incharge:

Mr. Vikram Gupta
Assistant Professor
SRPEC Unjha.

EXPERT:

MR. H. V. PATEL
Assistant Professor, Smt. S. R. Patel Engineering College Unjha
