

## EXPERT LECTURE ON CONTRIBUTOR ROLE IN REAL LIFE SCENARIO

Date: 18/09/2021  
Semester- 5<sup>th</sup> (CL, CE)

Civil engineering department

# Expert Lecture Report

### Objective-

The main objective of the workshop was to explain about role of contributor in every aspect of life be it in the organization or in any real life circumstances

### Summary:

For proper guidance to the students we arranged a talk of the most valuable and experienced person of our organization. In this session, Dr. A. H Shah, our respected principal delivered a lecture on how students should focus on personal growth, what should be one's mindset to give good performance in any field of life and how can one maintain mental peace and keep stress at bay while battling tough situations. She explained the students about career growth and personality development through many examples of ancient medieval and modern Indian greats. It was explained so lucidly on the stepping stone to a better life in future and many participants shared their views on how to excel in any filed.

### Feedback Analysis

The content was as described by title	9.5
The instructor was good communicator	9.8
