SMT. S. R. PATEL ENGINEERING COLLEGE

Technical Teachers' Training Program

Two Weeks Technical Teachers' Training Program on "Emphasizing Morals, Values, Duties, Ethics and Character Education for Quality Teacher"

Objectives:

Moral values, Ethics, Behavioral sciences and attitude are essential for positive human behavior. Education from time immemorial has focused on values. Values form the core of educational goals and objectives. Education is inherently values oriented and must develop in learners caring, cooperation and respect for others. In addition to equipping the learners with life skills and attitudes, it must prepare them to lead a full life.

It is apparent that values Education is an area that needs to be highlighted as

it holds the key to real and meaningful education. In this regard the TTTP intended to give exercises to the teachers to empower the students to enrich the nation.

For enriching the fruitfully nears of this TTTP out of two weeks 3 days sessions are arranged in the natural environment at "Kailash Gurukul" – Mahuva.

Coordinators :

Prof. M D Patel (Mechanical Department)

Prof. H V Patel (Civil Department)

DETAIL OF VARIOUS SESSIONS

Date	Expert	Topic
