

## WORKSHOP ON “E-Tendering System Portal”

Date: 20/04/2022

Time: 9 AM – 12 PM

Smt. S.R. Patel Engineering College

# Workshop Report

### Objective-

The main objective of the Workshop was to get basic Knowledge about e-tendering portal (n-pocyor) and tender

### Summary:

Workshop on E tendering was held at S. R. Patel Engineering College on 20<sup>th</sup> April 2022. Workshop was conducted to share the knowledge about E-tendering process to the final year students so that students can be benefited in the civil engineering professional projects. In this workshop the whole process of filling the tenders of various civil engineering projects like Road Construction, Building Construction, Bridge Construction, Canal works etc. online. In this workshop it is also explain that how to select the projects and suitable types of the tenders need to be fill for that projects. Expert also shares the knowledge about the various types of contracts and different types of tender. The workshop was very fruit fill for the civil Engineering Students.

### Feedback Analysis

The content was as described by title	9.6
The instructor was good communicator	9.4
The workshop was applicable to my respective subject	9.9
The material was presented in an organized manner	9.4
I will recommend this workshop to outside students	9.4
The programme was well placed within allotted time	8.7
The instructor was knowledgeable on the topic	9.2
Given the topic, the workshop was	Right length

**Workshop In charge:** Prof. Vikram Gupta

### Course Participant:

Workshop was organized for the students of 6<sup>th</sup> semester, Civil Engineering Departments.

Total of 42 participants participated.
