15th March 2019

SMT. S. R. PATEL ENGINEERING COLLEGE

Workshop on Building Planning and Drawing

Workshop on Building Planning and Drawing

Objectives:

The main objective of the workshop was: i.) To get knowledge about building planning and bye laws

ii.) To plan a residential building with given conditions and represent it in a drawing sheet.

Expert:

Prof. Smrithi A.

Asst. Prof.

Smt. S.R.Patel Engineering College, Dabhi

Workshop co-ordinator:

Prof. Smrithi A.

Civil Engineering
Department, SRPEC.

Summary:

The workshop for 4th semester (Civil Engineering) students have been accomplished at S.R.P.E.C Campus on 15th March 2019. The main objective of the workshop was: i.) To study the building planning in detail and the students got an exposure to the planning of a residential building according to a client's needs and condition in which students will get to know the difficulties during the planning of the same.

The workshop was having a seminar section in which all the aspects and building bye laws were included. And a hands on section in which the drawing of the planned residential building was carried out. The workshop was very helpful to the students in which they got a chance to show their abilities in a residential building planning.

IMMEMORABLE MOMENTS OF WORKSHOP

Drawing session.

Workshop participants: 32 students, 4th semester (Dept. of Civil Engineering)
