

WORKSHOP ON RUNWAY DESIGN

Date: 01th October 2021
Time: 11:00 to 02:00 pm
Semester: 7th
Civil Engineering Department

Civil Engineering Department

Workshop Report

Objective-

The main objective of the Workshop was to get basic Knowledge about Runway orientation and Runway design.

Summary:

The Workshop on Runway Design was held at Smt.S.R.Patel Engineering College on 1th October 2021. Workshop was conducted to share the knowledge about Runway design to the final year students so that students can be benefited in the civil engineering professional projects. In this workshop covered the whole process of Runway orientation, Basic Runway length, correction of elevation, Correction of Temperature, Correction of gradient, Runway pavement design factors, Runway lighting, etc., filling the tender of various civil engineering projects like Road Construction, Building Construction, Canal Works etc., The Workshop was very fruit fill for the final year civil Engineering Students.

Feedback from Participants	Out of 10 (Average)
(a) Knowledge	9.5
(b) Practical Experience	8.0
(c) Duration	9.0
(d) Expert Knowledge and Experience	9.5

Course Participant:

Workshop was organized for the students of 7th Semesters, Civil Engineering.

Total of 34 participants participated in Runway Design Workshop held on 1th October 2021 .

Workshop Expert:

Prof.H.V.PATEL
