Manager (HR/Comps & EM)

A WORLD OF OPPORTUNITIES IN CIVIL-STRUCTURAL DESIGN

A fast-growing civil-structural design firm working with state-of-art structural concepts is looking to engage talented candidates for up-scaling company profile and help company tide over the tsunami of current project flow. Tremendous opportunity to keep pace with latest global practices of design with exposure to international codes and standards while working on **projects based in India and USA.**

- **CIVIL-STRUCTURAL ENGINEER** : Multiple job openings for posts of Civil-Structural Engineer and Design Trainee. Candidates with 0-10 years of experience in this field may apply. Knowledge of US Codes and proficiency with design tools like ETABS, STAAD would be an added advantage.
- **CIVIL-STRUCTURAL PROGRAMMER** : M.E/B.E Civil-Structural graduates with good command and inclination towards programming, specifically Microsoft Excel, Visual Basics & Revit API may apply for this position. Good understanding of structural design and analysis is required.
- **STRUCTURAL CAD TECHNICIANS OR STRUCTURAL REVIT MODELERS** : Multiple job openings for applicants with proficiency in AutoCAD or REVIT-structure. Candidates with 0-10 years in this field may apply. BE/Diploma Civil graduates with exposure towards BIM management would have an added advantage.
- **SR. ACCOUNTANT** : Commerce Graduate/Post Graduate with at least 3 years experience in a corporate unit as accountant.

Salary would not be a constraint for deserving candidates.
